NEW Networking Event

“Wake Up & Smell the Coffee”

on May 6th!
See page 4 for details.

SVCC Presents... 5th District Legislative Wrap-Up

University of Washington’s President Mark Emmert wrote in his blog “. . . **the 2009 session was the most difficult any of us can recall . . .**”

From the first shock of the state’s budgetary shortfall that led lawmakers from both sides of the fence to work together on budgetary cuts, the 2009 legislative session is history-making in the sheer scope of analysis and decision-making at the public administration level.

Please join us on May 15th as our **5th District Legislators – Senator Cheryl Pflug, Representative Glenn Anderson and Representative Jay Rodne** – candidly respond to questions about the toughest legislative session in our state’s history.

Panel members include: **Debbie Berto**, Publisher, Issaquah Press and SnoValley Star; **William Shaw**, Publisher, Snoqualmie Valley Record; and **Steve Walter**, General Manager of Tanner Electric and SVCC Government Affairs Committee member.

About our Legislators: *Sen. Pflug is Ranking Minority Member of Health & Long-Term Care Committee; and serves on Higher Education/Workforce Development and Ways & Means Committees. Rep. Rodne is Ranking Minority Member of the House Judiciary; and serves on Higher Education/Workforce Development and Ways & Means Committees. Rep. Anderson is Ranking Minority Member of Higher Education Committee; and serves on the Capital Budget and Education Appropriations Committees.*

Luncheon Sponsor: Snoqualmie Valley Hospital

“Affordable Access” to primary care – Snoqualmie Valley Hospital is pleased to introduce plans for a primary care program designed for people with limited or no health insurance. Our goal is to promote a consistent relationship with a medical expert, increase early detection and treatment of adverse health conditions and thereby reduce the frequency of need for costly specialty or emergency care.

For \$30 per month and a \$5 per visit co-pay, members receive routine check-ups, preventive care, disease management and a wide range of in-office health procedures providing access to our physicians, nurse practitioners or physician assistants located throughout our clinics in Fall city, Snoqualmie and North Bend.

Employers or any 3rd parties can make contributions on behalf of an individual; however membership remains an agreement between an individual and the clinics.

This plan is currently under development. It is not comprehensive health insurance. It provides for primary care services only and makes no provision for emergency or specialty care.

For more information and input please review our insert in this news letter and contact Joe Larson at joel@snoqualmie-hospital.org or 425-292-9567.

FREE New Member Orientation May 15th, 10:45am at Snoqualmie Ridge Golf Club!

President's Message

What a joy to get out in the yard and soak up some sunshine this past weekend, and with the forecast predicting MORE late this week and weekend perhaps the we are finally turning towards Spring.

With such prospects in site it should be easy to warm-up your smile and head for our very first networking breakfast event, "Wake Up & Smell the Coffee" on May 6th. This is a great new opportunity to broaden your networking reach with local chamber members by developing relationships and sharing ideas. A marketing workshop will also be offered to help you make the most of your marketing dollars and give you some fresh ideas how to grow your business.

With summer just around the corner, it's time to start thinking about how you'll help out with our chamber's biggest fund raising event, *Tour de Peaks*. We are now in our 21st year of celebrating this event with cycling enthusiasts from all over the region. There are many ways you can help, and it's

easy to fit them into your schedule as help is needed on the weeks and days leading up to this one day bike ride as well as on the day of the event. Contact Karen Granger, Event Chair, and she'll plug you in. This year we are holding the event in conjunction with the Centennial Anniversary of North Bend and Festival at Mt. Si. TdP will finish right in the middle of the festival with fun, food, and beer all near by to meet the desires of our riders. I've chaired this event in the past and can personally assure you it's gratifying work and great fun.

Call density from coming visitors to our area is already rising sharply just in time for the Memorial Day weekend opening our *Visitor's Center* in the North Bend Train Depot. If you haven't yet seen it, you really should go by the new center! It is a huge upgrade from our prior facility and a great way to promote your business with literature appealing to people visiting the valley.

One last reminder. The deadline for advertising in the annual *Resident's Guide & Directory* is here and there isn't much space remaining. Be sure

to talk with Steve Goldberg right away about getting your ad into this publication, 425-831-6277. This publication is distributed to over 15,000 homes across the valley and through our chamber office, visitor center, and many member businesses. It's the best advertising reach value you'll find in the valley!

Warmly, *Steve*

Ambassador of the Month

Karin Powell,
Hometown Values Coupon Magazine

I joined the chamber in 2007, while I was a sales person for an envelope direct mail company, and then became an ambassador for the Snoqualmie Valley Chamber, meeting many great people and business owners though out the Valley.

After much discussion with Karen and Minna of the Chamber, I felt as ease taking on the task of starting my own business, I purchased the Hometown Values Coupon Magazine in 2008, and

published my 1st edition in April of 2008.

Hometown Values Coupon Magazine is a local advertizing publication, mailing directly to 15,000 homes and businesses in Snoqualmie Valley, including Fall City, Preston, Snoqualmie, Snoqualmie Ridge, North Bend and Snoqualmie Pass. Hometown Values Coupon Magazine is an affordable way to get your message out into your community, mailing quarterly. I would love you to use Hometown Values as a piece of your Marketing mix in the Valley.

The next edition of Hometown Values mails to homes June 10th, if you are interested in being in this publication, space is filling up fast, so please give me a call @ 206-218-7449.
